

## **Package # 4 – Home improvement and Renovation Project Management**

You have a home improvement or a renovation project? You can't do the work, do not have the time to invest or simply because you do not want to do it? AD Property Management is there for you! We will make sure to fully understand your needs, work on a budget together and deal with different trades contractors. We will lead the project from the beginning to the end!

- Kitchen remodeling
- Bathroom update
- Finishing a basement
- Flooring
- Deck
- Painting
- Trims
- And much more!

When necessary, we will deal with the city to get all required permits and be on site during the different inspections throughout the project. We will communicate with you on a regular basis to make sure that you can enjoy the progress as much as us.

You can do some of the work yourself, but you also need help? We can build a plan together where you are involved in different stage of the project. We will build the best plan for your needs and skills level.
